

HABITAS | TULUM

OUR HOME

Located between the jungle and the Caribbean Sea in the beachside town of Tulum, Mexico, Habitas Tulum sits on an acre of land with the destination's only secluded beach.

Surrounded by lush greenery, each pathway leads to one of 35 individual guest rooms, a three-story lounge with restaurant & rooftop, wellness area, swimming pool and pool deck and private beach.

Raised on elevated platforms with consideration for the environment and surrounding jungle, every room is ecologically built with indigenous materials and features a natural palapa roof and private outdoor terrace.

THE EXPERIENCE

At the core of our Habitas experience are our six pillars of programming:
MUSIC, WELLNESS, FOOD & BEVERAGE, ADVENTURE, ART AND LEARNING.

WELLNESS

The way we eat, sleep, exercise, dance, travel, connect, share and live, a Habitas experience is a holistic approach to lifestyle wellness that touches on mind, body, spirit and, of course, human connection & fun.

COMMUNITY

Our unique programming is designed to bring guests together, turning strangers into friends & friends into family. We encourage true human connection and believe authentic self-expression is best achieved in safe spaces surrounded by nature.

OUR BEACH

Our beautiful Caribbean beach is tucked in a cove that allows for privacy exclusivity and relaxation.

OUR KITCHEN - MORO

The ground floor restaurant helmed by Chef Horacio Dardano, serves the freshest farm-to-table ingredients with a menu that focuses on Spanish cuisine with a strong Moorish influence, heavily utilizing spices from North Africa like cumin, black peppercorn, cloves and cinnamon.

OUR POOL DECK

Our infinity pool deck offers stunning views of the Caribbean Sea. Enjoy everything our home has to offer from where you lounge, including full food and beverage service throughout our beach club.

OUR COURTYARD

Our jungle courtyard, surrounded by nature, is a gathering space designed to bring people together under starlit skies.

OUR ROOFTOP

Nestled above the treetops, the rooftop provides panoramic views of the ocean and jungle.

OUR LOCATION

Tulum is a resort town located 80 miles from Cancun and is home to one of the most unique archaeological sites in the world. The 13th century walled city at Tulum National Park is one of the last cities built and inhabited by the Maya, perched over a rugged coastline overlooking the Caribbean Sea.
