

OUR HABITAS | ATACAMA

OUR HOME

Located within walking distance from San Pedro de Atacama, Our Habitas Atacama is a desert oasis for intrepid travelers seeking boundless exploration, human connection and intriguing discoveries.

Inspired by Atacama's phenomenal natural surroundings and regional cultural elements, Our Habitas' first home in South America features 51 fully-equipped rooms, a pool, a wellness area and a communal gathering space for intimate events. Our restaurant and bar—centerpieces of the property—source seasonal ingredients from local purveyors and tend to an on-site native herb garden honoring the flavors of the desert.

Considered the world's driest non-polar desert, Atacama Desert sits miles above sea level, with no major cities, almost no rain and over 300 cloudless nights a year. The wide-open spaces and pristine skies surrounding Atacama are a siren call for curious stargazers and explorers. Here, the experience includes adventures to the most mind-blowing landscapes by day and perfect viewing spots of the Milky Way by night.

THE EXPERIENCE

At the core of our Habitas experience are our six pillars of programming:
MUSIC, WELLNESS, FOOD & BEVERAGE, ADVENTURE, ART AND LEARNING.

WELLNESS

Wellness is woven into the fabric of everything we do: how we eat, sleep, exercise, dance, travel, connect, share and live. Our experience takes a holistic approach to lifestyle wellness that touches on the mind, body, spirit and human connection.

COMMUNITY

Our unique programming is designed to bring guests together, turning strangers into friends and friends into family. We encourage genuine human connection and believe authentic self-expression is best achieved in safe spaces surrounded by nature.

COEXIST WITH NATURE

Combining raw nature with grounding experiences, our home offers an opportunity to forge a deeper connection with the planet and ourselves.

CONSERVATION

With the discovery of rare and beautiful places comes great responsibility. Our purpose is to protect our one true home, Earth, through immersive spaces that deepen our awareness and connection to the natural world. We seek to educate and inspire our community while always upholding transparency.

FREE OF SINGLE-USE PLASTIC

We are committed to eliminating single-use plastic throughout all of our homes and have been awarded the Oceanic Champion Badge for adopting The Oceanic Standard.

WASTE MANAGEMENT

Waste classification is the most important step directed toward better waste management. We work with local organizations to manage excess waste from daily operations by recycling and composting.

HABITAS RISE

Habitas RISE is our global impact initiative focused on empowering local communities, cultures and conservation efforts. We create economic and educational opportunities for the local people living in the places we call home, building micro-economies, creating jobs and working closely with these communities to address social and environmental issues.

LOCAL RECRUITMENT

We work closely with local organizations in the Atacama to provide educational opportunities for the community and create micro-economies by sourcing from local farmers and artisans..

SUSTAINABILITY

We identify and support conservation initiatives that actively work to combat climate change and human development. Through collaborations with community leaders, we seek to preserve and regenerate our planet for us and future generations.

FOOD & BEVERAGE

The restaurant Almas—meaning “souls” in Spanish—features an elevated menu that taps into locally-grown seasonal produce and explores the timeless flavors of wood-fired cooking techniques. Refined yet rustic, innovative dishes showcase the best of Chilean and Global cuisines, bringing together a myriad of flavors that speak to the quality of local purveyors.

DINING EXPERIENCES

We create unique dining experiences in our homes to unite people over a shared meal. Our signature experience is our weekly Family Dinner which invites all guests to sit together over a family-style meal, encouraging communication and connection.

OUR LOCATION

Located a one-hour drive from Calama Airport, Our Habitas Atacama is nestled on a property ten minutes walking from the town of San Pedro de Atacama.
