# 8 REASONS TO STAY AT ALILA KOTHAIFARU MALDIVES

📍 MALDIVES, SOUTH ASIA

## 1. SURROUNDED BY NATURE'S WONDERS

Located in Raa Atoll - famous for The Big 5 – Manta Rays, Dolphins, Sharks, Rays, and Turtles with the resort offering easy access to the Hanifaru Bay.

## 2. PRIVATE ISLAND SANCTUARY

Set on a 100% Natural Island offering 44 spacious beachfront villas and 36 overwater villas. Guests can unwind in these understated, sophisticated spaces that balance privacy with openness to the outdoors. Each villa features a private pool and sun deck where guests can relax and embrace picture-perfect views and enjoy personalized service.

## 3. IMMERSIVE CULINARY JOURNEYS

Alila Kothaifaru Maldives offers a delightful variety of culinary experiences including:

- Seasalt, the resort's beachside all-day dining restaurant with an ocean view, serving their signature salt-baked fish dishes, and
- Umami, offering Japanese-inspired menus prepared in a teppan theater with a premium selection of ingredients.

## 4. HAVEN FOR RELAXATION

Set above the treetops, Spa Alila offers double treatment suites with floor-to-ceiling views, private bathrooms, and showers. Enjoy nature-inspired therapies, daily outdoor yoga, a 24-hour gym, a beachfront infinity pool, and experience the new Holistic Detox Retreat.

## 5. THE SHACK PRIVATE SANDBANK

Located on a private sand cay, The Shack offers a unique dining experience, combining casual island vibes with fresh, flavourful dishes in an exclusive setting. Sundowners is particularly popular, featuring a romantic atmosphere with Champagne and caviar.

## 6. MODERN ECO-MINIMALIST ARCHITECTURE

Unlike the typical tropical architecture in the Maldives, the resort features modern eco-minimalist architecture for its villas, Tree Top concept of Alila Spa.

## 7. DRIVING POSITIVE IMPACT – SUSTAINABILITY INITIATIVES

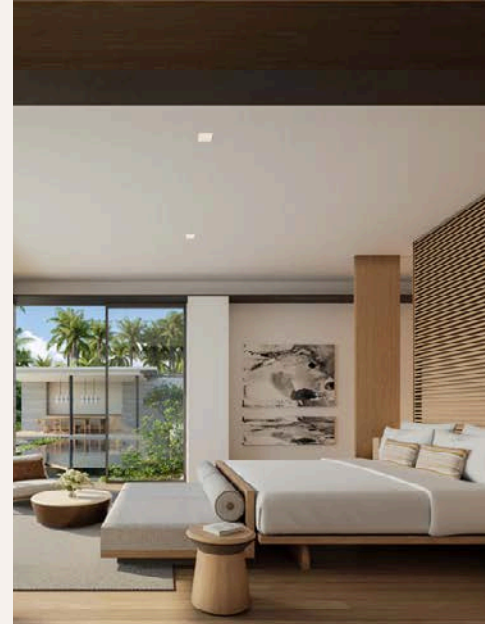

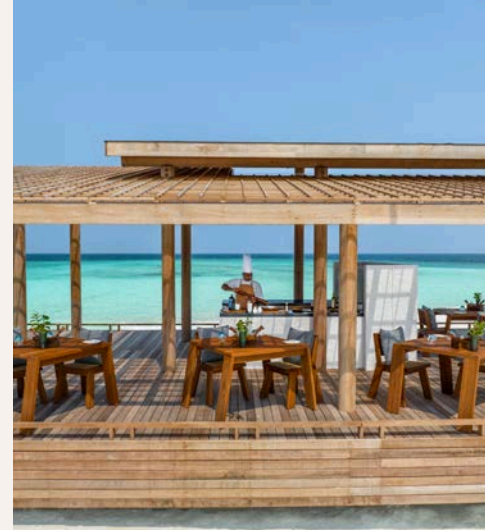

The resort champions sustainability with an on-site water bottling plant, reef restoration program, and a full waste management system that turns waste into fertilizer. It supports the local community through internships, jobs, and partnerships, while the Spice Garden invites guests to enjoy garden-to-fork dining and Maldivian cooking classes in a lush, tranquil setting.

## 8. STUNNING ACCOMMODATIONS

Enjoy a slice of paradise in our stunning open concept water villas, 1-bedroom beach villa, 2-bedroom beach villa, and Boduge Residence, all villa categories with private pool.
