

# The Manner

## A New Manner of Hospitality

Nestled on a tree-lined street in SoHo, The Manner represents a distinct approach to hospitality—one that feels like being welcomed into the home of a dear friend. Combining the best elements of a hotel, a private residence, and a members' club, The Manner envelops its guests with richly layered design, serene guest quarters, a refined sense of intimacy, and caring service. The property offers 97 rooms and three distinct culinary concepts from James Beard nominee, Chef Alex Stupak, along with two exclusive guest-only spaces.

On the ground floor sits The Otter, a charming neighborhood restaurant serving fresh seafood fare sourced from carefully selected purveyors. As you ascend the marble staircase from the lobby to the second floor you will discover The Apartment—an exclusive haven for hotel guests and their friends. Also located on the second floor is Sloane's, a lush jewelry box serving elevated cocktails and bites. Lastly, The Rooftop provides a serene escape for morning coffee, golden hour unwinding, an evening drink, or soaking in the sights from above SoHo.
