Our space was designed by Barcelona-based Astet Studio, and is a masterclass in refined, narrative-led design.

Drawing inspiration from Shoreditch's industrial and artisanal heritage, the interiors balance raw, textured materials — like terracotta, brushed metals, and layered wood — with warm, tactile finishes.

Natural light floods the space, accentuating an urban palette softened by warm accents — creating an atmosphere that feels both grounded and inviting. This layered, immersive approach offers guests a slower, more mindful luxury that speaks to the neighbourhood's creative spirit and evolving cultural identity.

Let's create something extraordinary together.

Aethos is a global community for creators, entrepreneurs and cultural shapers.

At Aethos London Shoreditch, community is at the heart of everything we do. We create spaces where creativity flourishes, authentic connections are made, and everyone feels welcome. No pretence, no limits — just a group of curious, bold individuals who inspire one another to grow and go further. We're redefining what it means to be a modern club.

Welcome to Aethos Club.

Our dedicated members' space is designed to feel both social and considered—a place to work, connect, and unwind throughout the week.

At its heart is a locally sourced, seasonal restaurant and bar, with a relaxed approach to dining that includes family-style lunches every Wednesday; an easy, communal way to gather and connect. The space also offers flexible co-working areas, designed to support both individual focus and collaborative work, whether you're settling in for the day or dropping in between meetings.

Aethos Cafe is where community and craft come together. By day, it's a bright, inspiring spot for coffee, matcha, and nourishing plates; by night, it softens into a lively setting with cocktails, shared tables, and music. Always warm, always personal — a space to connect, create, or simply belong.

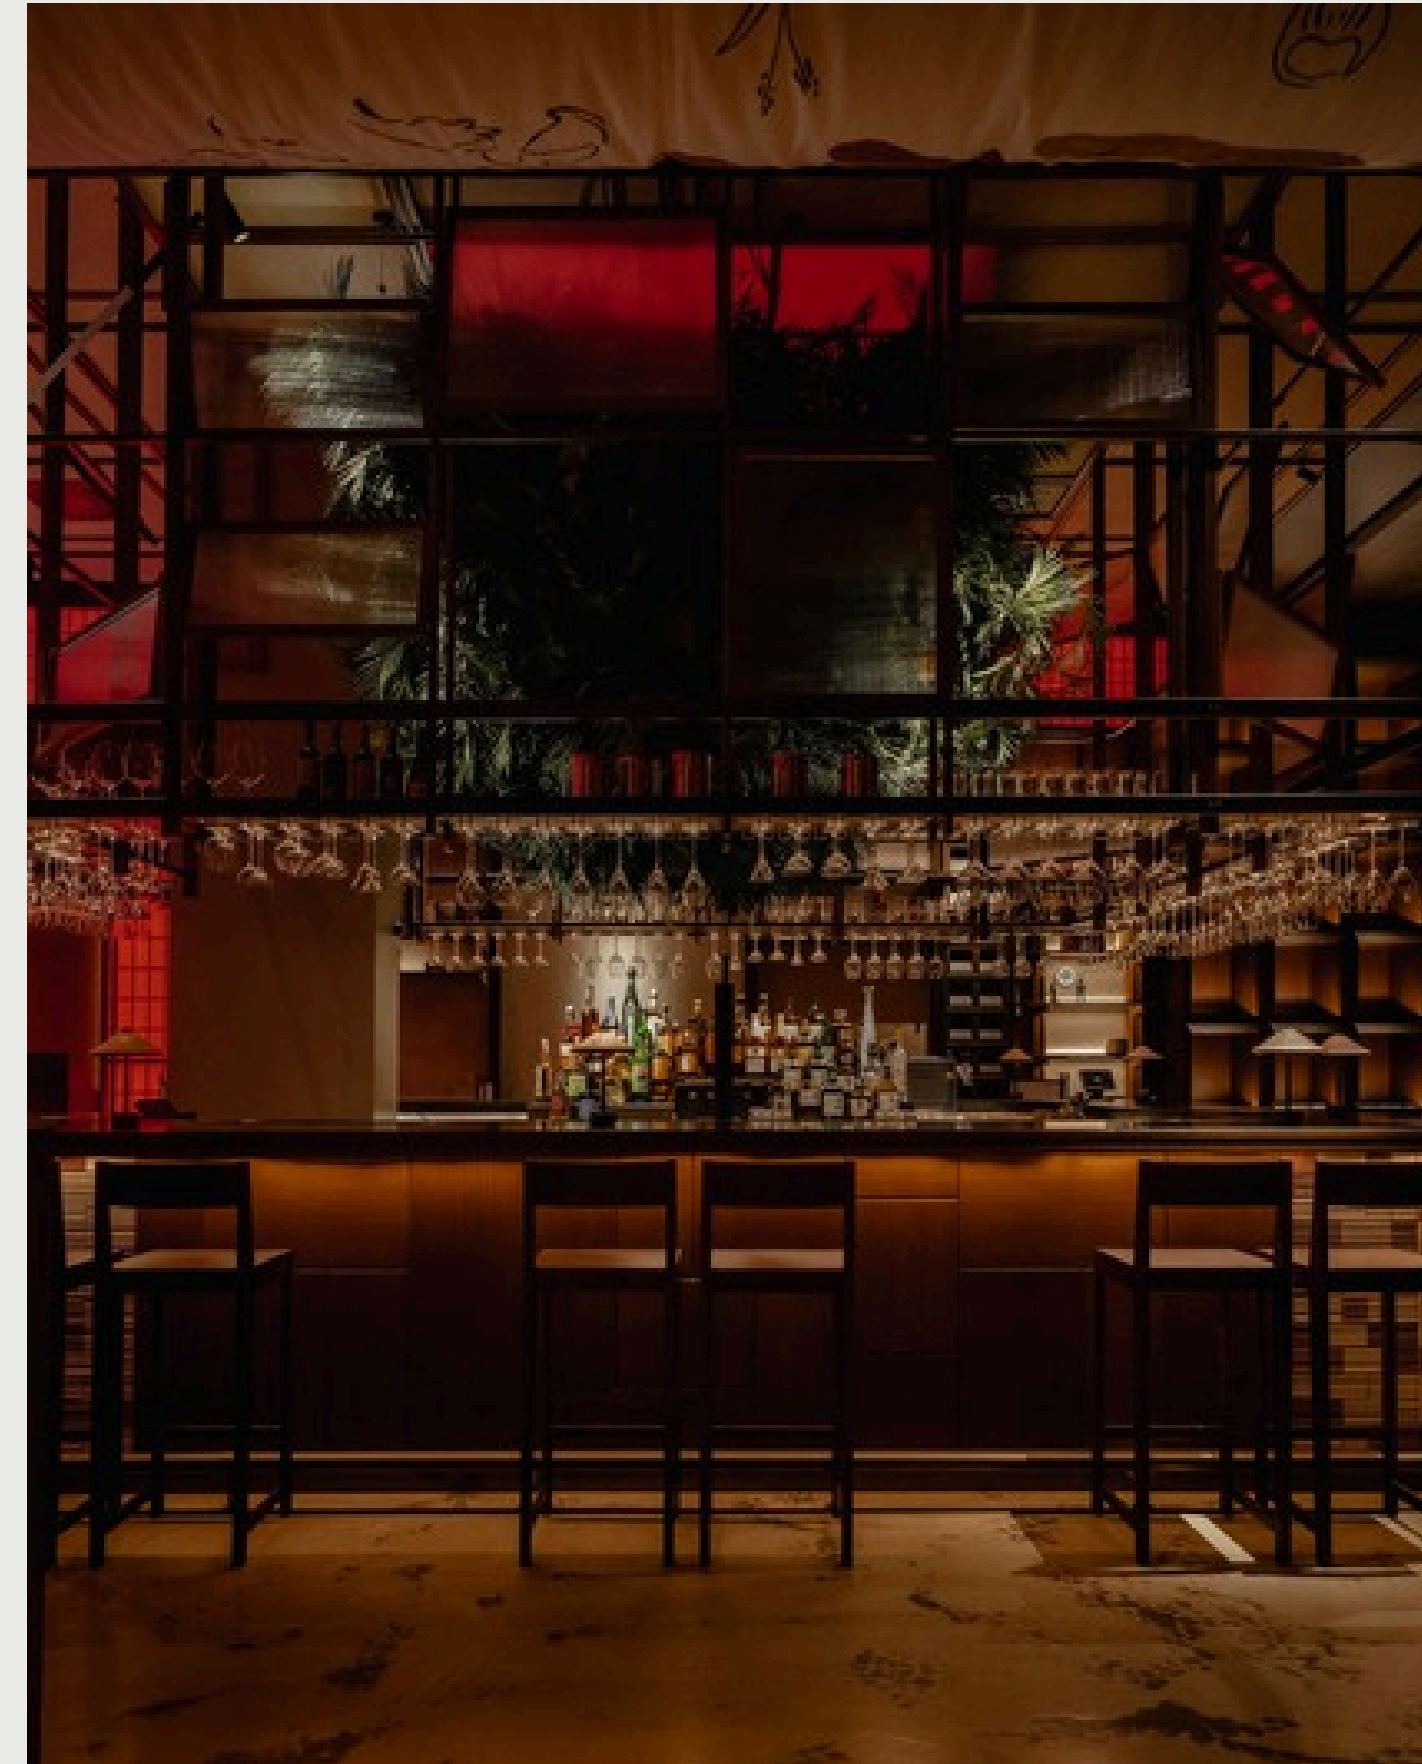

MITSU RESTAURANT

Mitsu is a high-energy, culture-led modern izakaya that brings the social dining and listening-bar spirit of East Tokyo to the heart of Shoreditch. Blending great food, music, and atmosphere, it's designed to feel lively and immersive, ideal for groups looking for something a little different from a traditional dining experience.

Located on Willow Street within Aethos Shoreditch London, Mitsu offers an intimate yet vibrant setting for private events. The main dining space can host private dinners for 12 to 24 guests, making it well suited for celebrations, team gatherings, or special occasions with a more personal feel.

For something more playful and memorable, the Karaoke Room accommodates up to 25 guests, offering a unique space where dining and entertainment come together.

Whether it's a relaxed dinner or a lively evening of music and cocktails, Mitsu provides a versatile setting that can be tailored to the mood of your event.

WELLNESS FLOOR

Our wellness offering is designed as a more considered alternative to the traditional hotel gym—available exclusively to hotel guests and members for a more private, elevated experience.

The gym is fully equipped with Technogym machines and is accessible 24/7, allowing guests to train on their own schedule in a calm, well-designed environment. Rather than a purely functional space, it's intended to feel open, refined, and easy to spend time in.

Alongside this, the wellness studio provides a more intimate setting for guided sessions, with capacity for up to 15 guests per class. A weekly programme of complimentary classes for our members—including Pilates, yoga, breathwork, and soundbath sessions—offers a chance to reset and recharge, whether as part of a regular routine or a moment of pause during a stay.
