WHERE NATURE EXCITES

Wow places

A stay at W Costa Navarino opens up a world of stunning nearby destinations to visit, guaranteed to quench your wanderlust.

VOIDOKILIA

Photographed countless times and standing out as one of the most amazing beaches in Greece, Voidokilia initiates visitors to an oasis of azure waters and verdant surroundings that is nothing short of breath-taking.

MARATHI

Not one but two wonderful beaches await to be discovered on the shores of Marathi. Just far enough away from the crowds to offer peace and serenity, a visit to Marathi is a must during any stay. Both beaches are surrounded by lush hills and their soft white sands are ideal for endless seaside lounging.

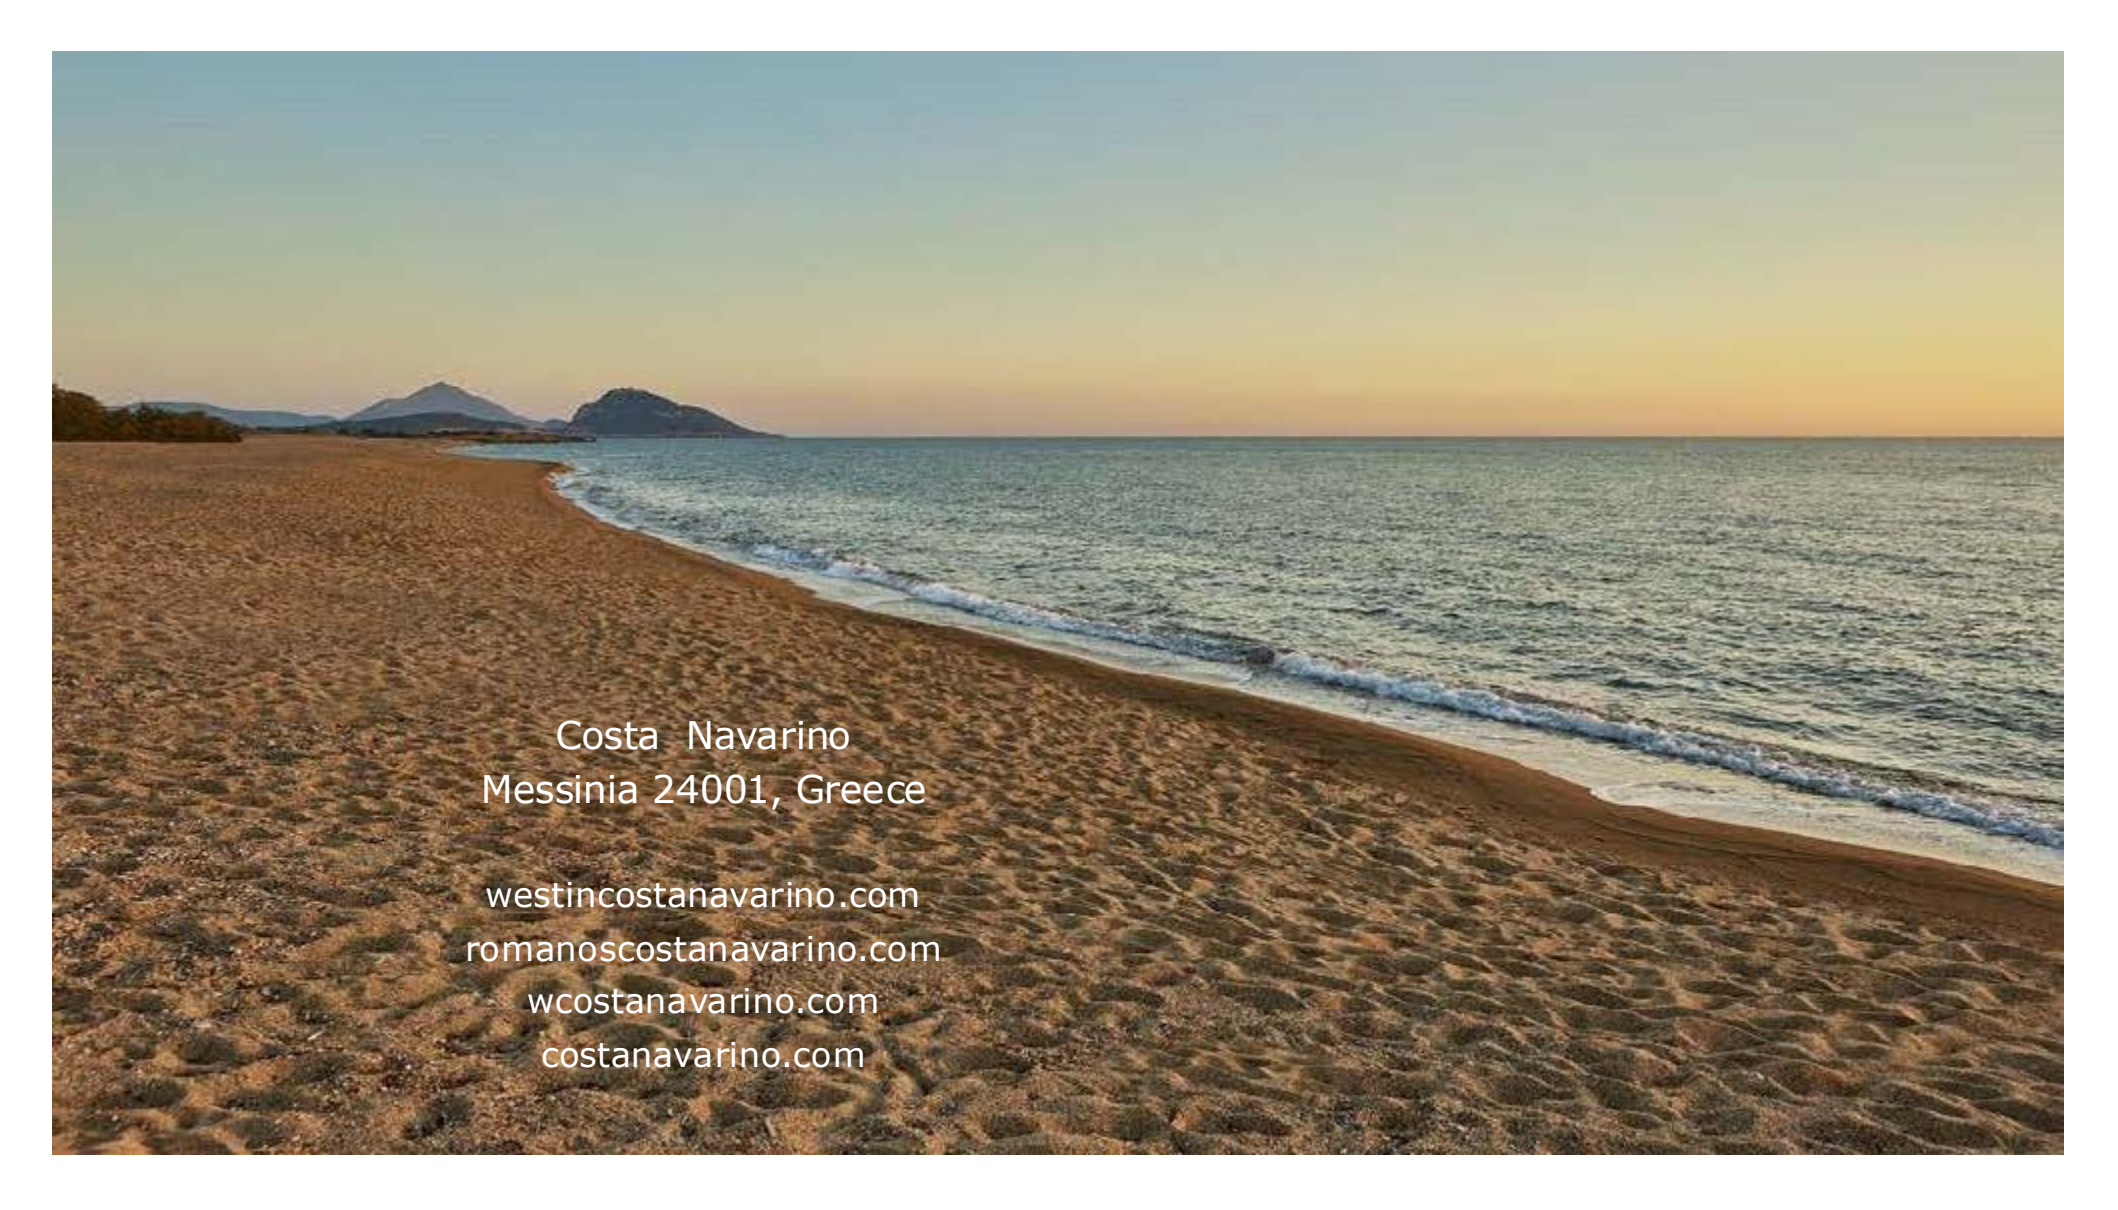

SFAKTIRIA ISLET

In front of the natural harbour of Pylos sits Sfaktiria island, a long rocky island with a strategic location that is associated with several historical events from antiquity to the period of Ottoman domination. A visit to the beautiful beach on the northern end of the islet is the perfect way to end a day trip.

GLOSSA

A natural swimming pool sure to surprise you lays near the famous Voidokoilia, perfect for dips in crystal clear waters. Glossa is a closed bay and therefore the pool occurs naturally proving that nature's works of art are to be found throughout Greece.
