MONTEROSA

AETHOS MONTEROSA

Located in Champoluc, Aethos Monterosa is a minimalist alternative to traditional mountain lodging, with a particular modern design and large glass facades that showcase the surrounding peaks.

The property features unique facilities including a semi-Olympic indoor pool, a wood-fired sauna and a signature 12-metre climbing wall in the lobby.

	53 rooms and suites		SPA access
	2 restaurants		25m pool
	The Doping		Fitness center

ROOMS

Aethos Monterosa offers 53 rooms and suites, providing an alternative to traditional alpine lodging.

Each room features floor-to-ceiling windows, private terraces with valley views, and natural, high-end finishes, ranging from Deluxe Rooms to expansive Alpine Suites

Specializing in modern Italian and traditional *Valdostan* cuisine, Summit is the ideal venue for those seeking meals with scenic views of the mountains.

The menu focuses on high-quality, seasonal ingredients, featuring regional mountain classics, traditional fondue, and premium grilled meats.

With its sophisticated yet welcoming design, the restaurant serves as a versatile hospitality space for post-alpine networking, entertaining, and exclusive culinary experiences in Champoluc.

THE DOPING CHAMPOLUC

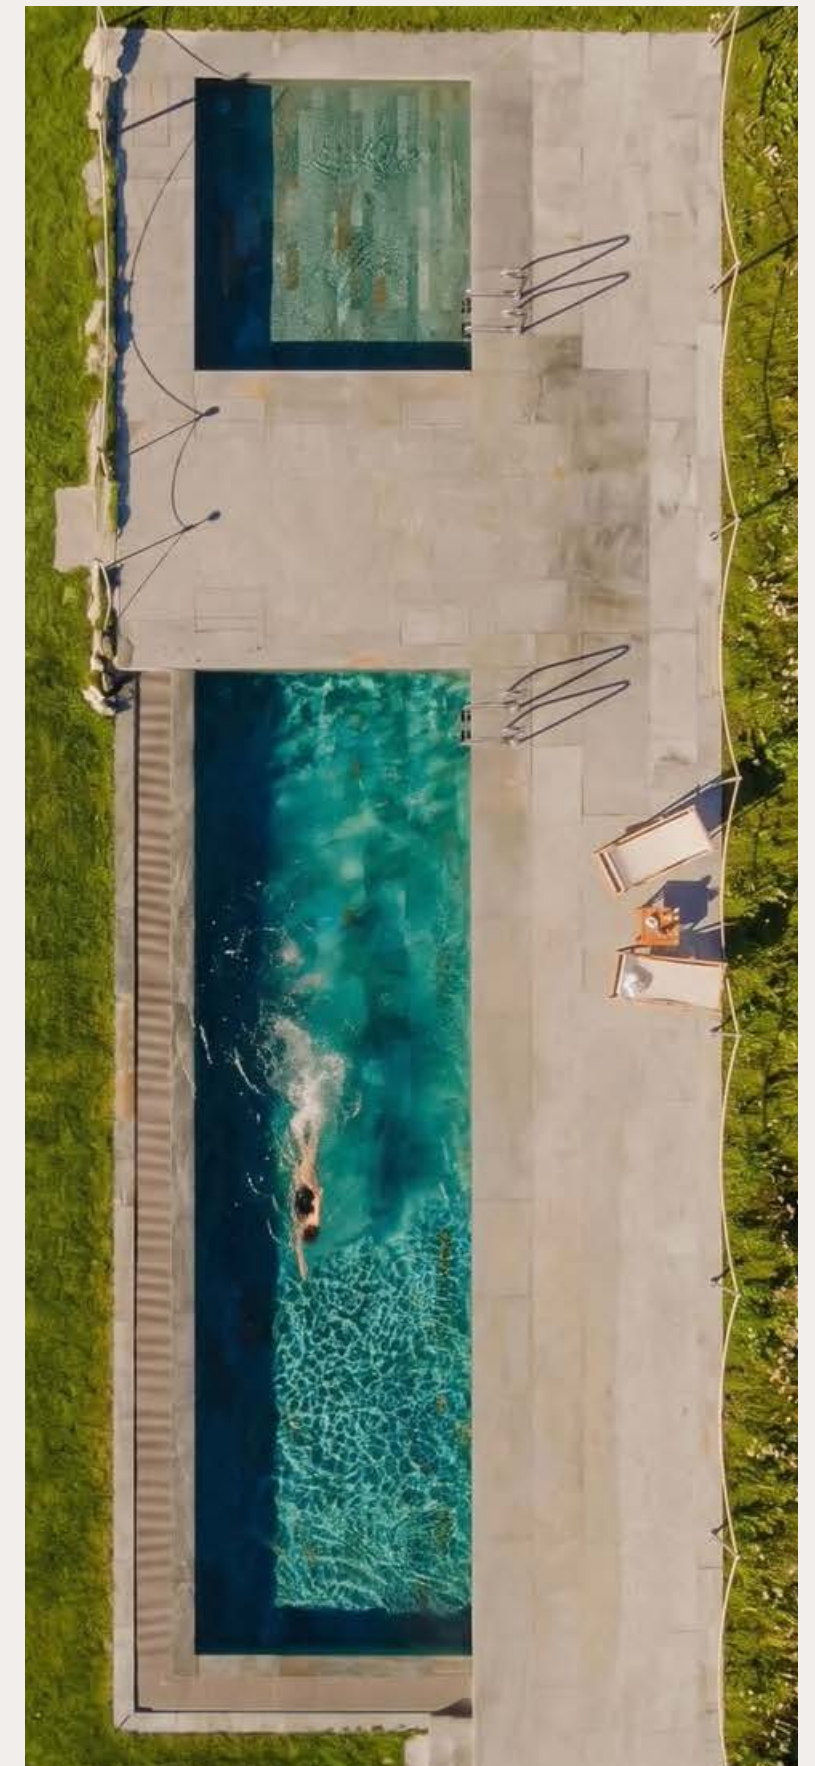

The Doping Bar Champoluc is the resident cocktail lounge bringing high-end Milanese mixology to 1,500 metres above sea level.

Positioning itself as the area's premier après-ski and nightlife destination, the venue offers a sophisticated, high-energy setting as the sun sets over the Alps.

Combining signature craft cocktails with a vibrant atmosphere, it provides clients with an upscale hospitality venue designed for high-altitude gatherings.

The garden has been transformed into a versatile outdoor venue featuring a new swimming pool as its centrepiece. The space seamlessly connects the hotel's refined interiors with the alpine landscape, providing a premium setting for open-air events.

The wellness facility is a premium spa and fitness space designed for recovery and high-altitude restoration. The centrepiece is a 25-metre indoor lap pool with panoramic alpine views, complemented by a wood-lined sauna, a relaxing jacuzzi and a fully equipped gym.

The spa offers a curated menu of targeted sports massages and mineral-rich facials.

	Gym access		Outdoor sauna
	Indoor SPA		Indoor pool

The experiences at Aethos Monterosa are defined by the majestic spirit of the mountains, balanced by the guidance of experts.

It is a destination where high-energy adventure, from indoor climbing and outdoor bouldering to guided mountain tours meets intentional connection.

It is more than just a stay; it is an invitation to learn, discover, and indulge in a lifestyle that is equal parts active and zen.

Athletic Experiences include:
Indoor Climbing, Biking, Guided Hiking, Rafting,
Canyoning, Padel, Golf and more.

The Michelin Key

A New Standard of Excellence Aethos Monterosa has been awarded the prestigious Michelin Key. This distinction recognises the property for its exceptional hospitality, unique character, and commitment to delivering a world-class guest experience in the heart of the Italian Alps.

New outdoor pool

Engineered to be enjoyed across all seasons, from the height of the summer sun to the snow-covered peaks of winter.

New Rooms

With the recent expansion, the property now features 20 new rooms from Deluxe to Alpine suites. All featuring the signature Aethos design.

The Alpine Barbecue

The summer lunch schedule introduces open-air barbecue sessions focused on live cooking of delicious regional ingredients in a relaxed and social environment.
