Casa Bonay

Fact Sheet

Our hotel is inspired by an affinity for the understated — creating a space that enriches, inspires, and blurs the boundaries between home and hotel. We believe in taking the time to stop and come together, creating spaces that invite connection. Casa Bonay has thrived by prioritising collaboration with local creatives, chefs, gardeners, industrial designers, and artists. We believe this collaborative approach brings more fun to our day-to-day and has helped us cultivate an authentic identity rooted in community, warmth, and a relaxed atmosphere that makes travellers and locals feel they truly belong.
